

Grand Cayman Island

June 4-11, 2016

- **ScubaDance** returns! Dive all day, Scottish Country Dance at night.
- All at the world-class **Sunset House Resort**, on the West End of Grand Cayman Island; “With 12 Top 100 nods, the Cayman Islands won more awards in the Caribbean and Atlantic than any other destination. Walls, viz, corals — they’re why these islands nabbed the top honor for Best Overall Diving in the region.” – *Scuba Diving*
- Two experienced and professional trip leaders, Mel and Ellie Briscoe, will ensure that everyone gets to dive their hearts out and take training in almost any dive topic.
- Certified teachers of Scottish Country Dancing will organize and run the evening dances, several times during the week.
- Trips with OceanGeeks provide inexpensive training, customized to your desires. Do your Open Water Certification dives, or AOW, or Night diving, or Deep, orjust ask! (Limitations due to logistics may apply.)
- Special training for this trip: Scottish Dancers who wish to learn to scuba dive can do the classroom/pool work at home, and be certified on the trip at no cost. And divers who want to try Scottish Dancing can do that, too!
- A one-week trip extension to Little Cayman Beach Resort is available.
